

ALISON MCLAUGHLIN
Member of Royal Palm since 2006

Alison has been a member of Royal Palm Tennis Club for 12 years. She has moved up the ladder of SFWDL, starting on the B3 team and currently plays on the A1 team.

Employment

Alison has worked at Baptist Hospital of Miami on and off for the last 29 years. She works administratively in the Miami Cardiac and Vascular Institute. The off times were spent being a full time mom to all her children and she is now enjoying her grandchildren. She returned back to work almost 5 years ago to get the Valve Clinic up and running and is now in Research.

Leadership and Affiliations

Alison currently serves as a member on the Entertainment Committee for Royal Palm.

Goals / Objectives

Alison started playing tennis 14 years ago and says she is totally addicted to the sport. Loving and playing sports and being part of a team has always been a big part of her life. She thinks that the Club benefits from all the amazing pros and the different types of clinics that are offered and would like to see the programs continue and grow.

She would also like the Club to continue to offer social events in order to reinforce the familial camaraderie among the members as well as continue to exhibit the standards of a premier tennis club, which Royal Palm is!
